

ADHESIVES AND SEALANTS FOR INDUSTRIAL APPLICATIONS

KÖMMERLING – THE SECURE BOND

Success is our philosophy

KÖMMERLING CHEMIE – we take the progressive way into the future, with partners who are looking for success. Partners who are strong enough to meet the requirements of the market. Partners who are creative in making their own market. With our brand and our outstanding service, our partners are always one step ahead.

For more than 110 years KÖMMERLING has been at the forefront of the development and production of high performance adhesives and sealants for the glass, construction and transportation industry. Our ability to provide our customers with tailor-made solutions has made us what we are today – a renowned global expert in adhesive and sealant applications.

Our goal is to enable our customers to benefit from tomorrow's technology today. Our expertise comes from experience.

KÖMMERLING – the secure bond.

BUILDING CONSTRUCTION ROOF / FACADE

Köراتان UK 996

Solvent based contact adhesive

- Use for bonding EPDM- and butyl materials in building sector
- Easily applied by brush and roller
- Resistant to humidity and UV

Köراتان UK 1000 / Köراتان UK 1001

Solvent based contact adhesive

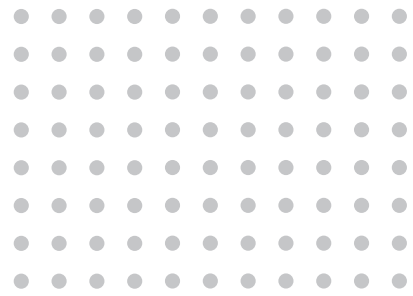

- Adhesive paste for bonding of EPDM and butyl materials in building sector
- Application to one side only
- Resistant to humidity and UV

Köراتان UK 903 / Köراتان UK 998

Solvent based styrene rubber

- Can be used as a Primer for porous surfaces
- Will consolidate loose surfaces
- Easily applied by spray, roller and brush

Köراتان UK 996

Solvent based rubber adhesive

- Bonding and fixing of rubber profiles in rail tunnels
- Easily applied by spray and roller
- Resistance to humidity and UV

Köراتان UK 1000 / Köراتان UK 1001

Solvent based rubber adhesive

- For sealing of profile joints in rail applications
- Good adhesion to EPDM
- Short open time

Körapur 643

Solvent free 2-component polyurethane adhesive

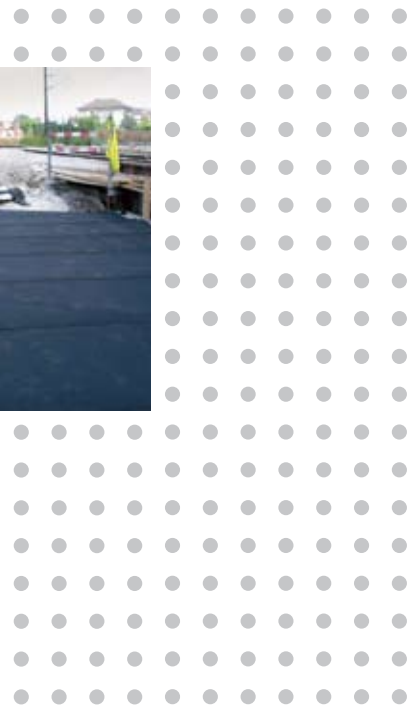

- For bonding of ballast and side mats
- Resistant to humidity and weathering
- Also useable as potting compound

Körapop 233

1-component MS polymer, solvent free

- For bonding side mats into the road bed
- Tacky - No fixing necessary
- Approved to DIN 18540-F and ISO 11600:2004-04

UNDERGROUND ENGINEERING ROADBED AND TRACK

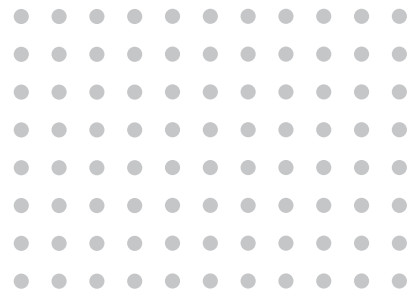

UNDERGROUND ENGINEERING TUNNEL CONSTRUCTION

Köراتان UK 996

Solvent based contact adhesive

- For bonding EPDM profiles into tubbing segments
- Very high initial tack
- Good resistance to humidity

CONSTRUCTION SANDWICH ELEMENTS

Körapur 643

Solvent free 2-component polyurethane adhesive

- For the manufacture of sandwich elements
- Low viscosity for ease of application
- Can be used as a sealing compound

Körapur 672

Solvent free 2-component polyurethane adhesive

- For bonding wood, grp, steel, aluminium and some plastics
- Resistant to moisture in wood
- Very good adhesion characteristics
- Low viscosity

Körapur 863

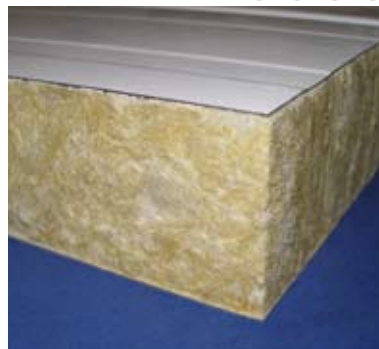

Solvent free 2-component polyurethane adhesive

- For the manufacture of sandwich elements
- Bonds to steel, aluminium, wood, grp and some plastics
- Long open time for ease of handling (up to 5 h)

Köratan WS 703

Solvent based rubber adhesive

- Can be applied to one or both sides of the material to be bonded
- For bonding of polystyrene and PUR foams for the manufacture of panel and sandwich elements

FLOOR FOOTSTEP SOUND DEADENING / PARQUET

Köramelt 925

Thermoplastic rubber

- For bonding PE foils onto polystyrene
- Elastic adhesion film

Köramelt 917

Thermoplastic rubber

- For the manufacture of perimeter insulation boards
- High UV resistance

Körapop 329

1-component MS polymer, solvent free

- Parquet adhesive for wooden floors
- Solvent free – safe to handle and apply
- Very low emission, EC1

KÖMMERLING – THE SECURE BOND

Our philosophy ...

... more research and development!

We have the solutions for tomorrow's requirements today.

... more products!

We have the widest product-range in the market.

... more logistics!

We help to save your time.

... more consulting and training!

We increase your benefit, your certainty and your income return.

... more service!

We are there when you need us.

... more communication!

We are active in building-up your market.

... more quality!

We offer you high performance adhesives and sealants!
